

PRESIDENT'S REPORT 2023

For me it has been an a very interesting year. My first time being a president of an AFL Umpires Association.

Thank you for your patience and thank you for your support.

We have had a few things in the wind this year. We have been trying to get an indigenous shirt designed in conjunction with Garbutt Magpies. At the moment that is a little bit on hold. Garbutt Magpies aren't as proactive as we would like. We will continue to pursue that into next year.

Chris is continuing to work, in conjunction with myself and a few other interested parties in regard to RMS oval. We are trying to force the hand and get that moved along a lot quicker than is currently happening.

At the moment numbers are looking good for next year. We have a few new people coming in and we don't have too many that are leaving us at this point.

For those that are not aware, Lance Purdon has been given a posting order and we will be sorry to see him go as he is sorry to be leaving.

CHERYL GRAY
